Mission

As men, women, and children united in faith and worship by the Word of God, we are committed to making disciples, using the gospel to win the lost for Christ, and nurturing believers for Christian service, all to the glory of God.

Vision Statement

Whereas, Peace Lutheran Church and School in affiliation with the Wisconsin Evangelical Lutheran Synod, faithfully proclaims the truth in doctrine and practice for Peace members and the community of Sun Prairie. The congregation in the community, boldly represents its unique confession to a diversity of ages and cultures in Sun Prairie. With this as a continued foundation, our vision is:

- Peace Lutheran Church and Peace Lutheran School integrate the uses of their facilities toward a unified ministry of spreading the gospel and nurturing believers and facilitate other learning and fellowship opportunities within the community.
- Members and non-members at Peace have the opportunity to cultivate a deeper understanding of the Word and sacraments, and encourage their use in our personal lives through worship and the broad spectrum of Christian education in every age. We will learn to walk in faith and develop a greater appreciation for why we are Lutheran, why we are evangelical and why we are confessional.
- Outreach in the Sun Prairie community occurs with opportunities in church and school, and through services provided to the community. Peace practices friendship evangelism through the many activities with groups inviting friends to participate in fun and rewarding efforts in the community.
