

Stewardship

Stewardship of the Gospel

You are part of a congregation that encourages each member to live as a manager of God's abundant blessings. Through the use of our time, energy and finances we come together to do the Lord's work.

God's plan for us includes a theology of stewardship that identifies each and every one of us as having been equipped for a special purpose. As stewards of these resources we are called upon to make and enact a plan that include all of life's resources for God's purposes.

Christian Stewardship is the free and joyous activity of the child of God and God's family, the church, in managing all of life and life's resources for God's purposes

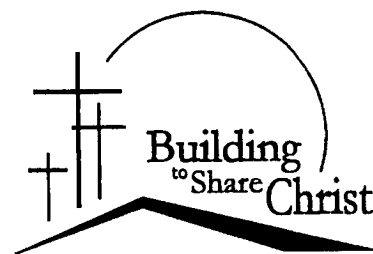

Personal Stewardship Plan

Throughout the weeks ahead each member of Peace Lutheran Church will be called upon to prayerfully consider all of the resources that God has provided and in so doing prepare a "Personal Stewardship Plan". This plan will enable the congregation to step boldly forward, in this time and in this place, to faithfully serve our Lord and Savior Jesus Christ.

On the pages that follow you will find the information necessary to complete your Personal Stewardship Plan (PSP). Blessings on your time and consideration.

A couple of things we want to be sure you are aware of before completing your PSP.

- ◆ These plans are considered confidential.
- ◆ The PSPs will be handled in the same confidential manner as regular giving.
- ◆ Upon completion and return of your PSP you'll receive a copy for your own records along with any additional information you request.
- ◆ In the second and third year you will be provided with the opportunity to review and renew your PSP.
